The art and architecture of Kiev are considered to be world treasures. The Cathedral of St Sophia, where the princes of Kiev were crowned in the years of Kiev's grandeur, houses outstanding mosaics and frescoes dating back to the 11th century.

Courses

We offer Russian or Ukrainian language courses in a specialized Kiev language school. The teachers are highly qualified, who all have at least a Masters degree in Education and have long experience in teaching Russian and Ukrainian for foreigners.

Group courses

Teaching is conducted in small groups of 3-5 people and the groups are formed according to the level. The beginners' course is designed for those who want to acquire basic skills in speaking, reading, understanding and writing. At higher levels you will improve and perfect your Russian or Ukrainian.

Individual courses

Many of our students choose to take individual lessons as it is an effective way of learning the language in shorter periods of time and individual lessons can be tailored to meet your needs. You and your teacher can decide what is best for you to focus on and develop a schedule accordingly. Choosing individual lessons also allows you to dictate the intensity of your studies. Students taking individual lessons study anything between 10 to 30 hours a week. The duration of one lesson is 60 minutes.

Accommodation

Accommodation is offered with a host family or in a self-catering apartment usually not far from the school in the central parts of the city. Accommodation is generally reserved from Sunday prior to the start of the course until Saturday following the end of the course. Extra nights before and after the course can be arranged at an extra fee.

Excursions

Many different tourist agencies offer a range of city tours and day trips all year round. The language school usually also arranges daily excursions in the period May to September. At other times of the year they often arrange excursions a few times a week. Payments for excursions are made locally.
