

Vladivostok

Facts & Figures

Population: 610,000

Foundation: 1860

Climate: Vladivostok is in the monsoon area of the temperature zone

GMT Offset: GMT +10 hours

Vladivostok is located on a range of hills, which on one side borders the Pacific Ocean and the other forests. The beautiful and varied landscape in and around the city provides many opportunities for interesting sightseeing.

Vladivostok is located not far from the Chinese border and is also within easy reach of Korea and Japan, its proximity to other Asian cultures is reflected in its own very diverse culture. When you are not studying there is so much to see and do in terms of experiencing the city, its culture, history and beautiful surroundings.

Courses

We offer Russian language courses for everyone whatever your level of experience in the Russian language. The team of highly qualified and dedicated teachers has strong experience of teaching foreign students and can offer you very effective Russian language programmes.

Group courses

Group courses are arranged according to the skills level of the students. On arrival you will be asked to take part in a short test so as to enable the teachers to place you in the appropriate learning group. The maximum number of students per group is 10. Course books are available either for students to purchase or to borrow.

Individual courses

Individual courses are specifically designed to meet the needs of the individual and one-to-one tuition guarantees fast progress. These individual courses guarantee that you get the best opportunities to improve your speech and understanding of the language, as well of course as your grammar.

Russian language courses online

Our partner university was among the first Russian universities to create e-courses. Over 100 different courses are available online. More than 1,800 students are enrolled to these distance learning programmes.

Accommodation

We can arrange accommodation in high quality student rooms. Accommodation is generally reserved from Sunday prior to the start of the course until Saturday following the end of the course. Extra nights before and after the course can be arranged at an extra fee.

Excursions

Many different tourist agencies offer a range of city tours and day trips all year round. The university usually also arranges daily excursions in the period May to September. At other times of the year they often arrange excursions a few times a week. Payments for excursions are made locally.

- Excursion to see the tigers
- Gorbaty waterfall
- Kravsovskie waterfall
- Vladivostok's orthodox temple
- Vladivostok city tour

Excursion to see the tigers

"Was a good time with lots of possibilities, and well divided between learning and fun."

🇩🇪 Dirk H., Germany
