

WHAT'S ON

Add a travel program in Jordan to your Arabic course!

Best of Jordan

Didn't you always want to travel through Jordan?! Our roundtrips are perfect for all who want to learn more about the culture of Jordan. All important sights are included in these trips.

"Ahlan wa sahlan!"

We start in Amman and continue to Petra, Wadi Rum, Aqaba at the Red Sea, and many other places.

Swim in the crystal clear water of the sea or just relax!

Festival in Cairo and Beirut

The Spring Festival is a major art event running simultaneously in Beirut and Cairo. Through music, dance, writing and photography, the festival challenges international artists to cross boundaries on a political, cultural and social level.

Arabic Summer Courses!

We invite you to a rich and varied Arabic program. Group- and Individual Courses, Modern Standard Arabic & local dialects, cultural and excursion programmes – find your ideal option!

A student room in down-town Beirut or convent lodging in Alexandria? A swim in the Mediterranean, the Red Sea, or the Atlantic after class? You decide where to cool off, embedded in Arabic.

Arabic Immersion in Amman

Amman offers unique opportunities to immerse in the Arabic language and the Middle Eastern culture. Staying with a Jordanian family is a door-opener to social life and cultural understanding. Language buddies (a friend to practice Arabic outside of class) and volunteer work with NGOs are other opportunities to gain invaluable social contacts and improve your Arabic skills. Not simply learnt in the class room – you need to live the language!
